ES3032a4

OKI
PRINTING SOLUTIONS

Quality, reliability and style
Performance for the large workgroup

The elegant design of this compact and stylish product hides the fact that under the skin of the ES3032a4 there is a robust and powerful A4 printer that delivers 30 colour pages per minute and 32 mono pages per minute.

Simple to use with a backlit graphic display and equipped with high capacity toners and large capacity paper drawers for few user interventions. OKI Printing Solutions tried and tested LED technology delivers solid performance for printing on a wide range of sizes, weights and types of media. Smart in both operation and design the ES3032a4 is easily integrated into any workgroup environment.

Outstanding speed. Superior quality

The ES3032a4 offers high performance printing for the workgroup. At 30 pages per minute (ppm) colour and 32ppm mono, it is super fast, helping to keep productivity high, with superb quality for professional results.

Prints perfectly on a variety of media

The ES3032a4 can print on media from 64gsm up to 220gsm. This allows the production of professional documents on high quality heavyweight stock and 1200mm length A4 banners. Standard automatic duplex for double-sided printing reduces paper costs and improves document appearance.

Simple, solid and smart compact design

At up to half the size of competitive machines the compact ES3032a4 is quiet and small enough to sit discreetly within the office environment whilst delivering outstanding performance for large workgroups.

Protects data. Prevents excess use

The ES3032a4 has the essential controls in place to safeguard documents and to monitor and control printing costs. Print Control imposes rules on how the printer is used, whilst Secure Erase protects documents from being accessed and re-printed by safely erasing files stored on the optional Hard Disk Drive. Secure Print encrypts files sent over the network ensuring that office critical information is kept confidential.

Intuitive controls. Easy to use

The ES3032a4 is extremely user friendly. The enhanced LCD display panel provides users with helpful messages to ensure that they have complete control over print jobs and the print driver is simple to use.

THE ES3032a4 FEATURES AT A GLANCE

	ES3032a4n	ES3032a4dn	ES3032a4cdtn

*2 Including all consumables
*3 Hard Disk Drive required
*4 Windows only

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the Oki trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

Specification subject to change without notice. All trademarks acknowledged.
